HAVE A TASTY CHRISTMAS

We like to eat and we like to eat well. But what we enjoy even more is feeding others and sharing those edible things that delight us most, particularly the morsels that are most likely to surprise another person...those unusual or spectacular treats that the other wouldn't necessarily get for themselves.

This year at Marmalade Deli, we've gone slightly overboard with the Christmas cheer. If you're looking for something food related, something special or even extraordinary, you won't have to look far. The shelves are positively bursting. But we've also pushed out the boat with a huge variety of ways that you'll be able to present your gift to friends and family.

There's a size and option to suit every person and every budget. Whether you're looking for a small gesture for a colleague at work, or something more extravagant, we've got you covered.

To help you choose, we've put together this little brochure.

Here's what to do:

1. Select a hamper, gift box or bag.
2. Choose your items from the shelf.
3. Choose a collection day.

That's it. We'll do the rest.

If you need any help with ideas or finding the right combination of items, just ask. We can even design the entire gift for you based on preferences, dietary requirements, budget etc.

So have a nose and enjoy hunting for treasure. You might want to allow more time than usual. There's over a thousand products to choose from.

“ The best thing to do with the best things in life is to give them away. ”
